THROUGH: Chief, Geographic Research Area, ORR
FROM: Chief, Map Library Division, ORR
SUBJECT: Map Exhibit

I would like to express the appreciation of the Map Library Division to the Cartography Division for its very valuable assistance in designing and constructing the map exhibit now being shown in the Headquarters Building. We feel that the exhibit has met all of its planned objectives, largely because of the professional talent which produced it. My special thanks to [REDACTED] who gave freely of their own time in expediting completion of this project.
